My thanks to all those who took part and supported our shoot once again this year. It was great to see both many new and familiar faces once again.

I would also like to repeat my thanks to Zillah, Roger and Andrew for officiating on the day and to field and catering crews for all their hard work both on the day and in the days leading up to the shoot. I hope that you will all be able to join us again for our 37th shoot in 2015 which is likely to be one week early than normal.
