Notes

- Although Postal Competitions are highlighted, due to change in the rules the best individuals scores from the month will be used. This will also apply to the Club Competitions.
- The Christmas Shoot has been included into the Shooting Program. More details will be given nearer the time, and dependent upon any changes to the shooting guidelines.
- The Longbow Challenge has not been included into the Shooting Program this year, but may be added at a later date if the shooting guidelines change in a way that will allow it.
